PAAVAI ENGINEERING COLLEGE

(Autonomous)

Department of Electrical AND Electronics Engineering

TECHFINIX'25

EVENT NAME: Tech Talk

Round 1:

    1. Only one participant is allowed.

    2. Mobile phones are not permitted.

    3. This round consists of general EEE department-based topics (talk about the topic for 1-2 mins).

Round 2:

    1. Shortlisting depends upon the number of participants in the first round.

    2. Selection will be based upon your way of speaking, contents, body language, and English fluency.

    3. The top 3 members will be awarded.

EVENT NAME: Word Spark

Round 1:

    1. Each team consists of two members.

    2. The quiz will cover general questions based on the EEE department.

    3. Mobile phones are not permitted.

    4. This round consists of 15 questions that will be displayed.

Round 2:

    1. The shortlisted teams from Round 1 will advance to the next round.

    2. This is the blast round.

    3. Several clues for a word displayed on the screen.

4. The team that blasts the balloon first will get the chance to answer.

5. The team with the most correct answers will be declared as the winner.

Round 3:

1. The shortlisted teams from Round 2 will advance to the next round.

2. The advance clues will be provided to find the word.

3. The answers are shuffled with alphabets given to participants.

EVENT NAME: MATLAB Mania

Round 1:

1. Only one participant per team is allowed.

2. Mobile phones are not permitted.

3. This round consists of basic circuit design. The participant should draw the design and take the output from MATLAB. This round consists of 15 minutes.

Round 2:

1. Shortlisted students from round 1 will advance to the next round.

2. The circuit design will be moderate.

3. Selection will be based upon your output; time management this round consists of 20 minutes.

Round 3:

1. Shortlisted students from round 2 will advance to the next round.

2. The circuit design will be hard.

3. Selection will be based upon your execution of the circuit and the output of the design; this round consists of 20 minutes.
